

KNIGHTKOTE MATTE TEXT

NOVEMBER 2007

50% Total / 30% Post Consumer Recycled Fiber Content 

PRODUCT FEATURES

- Alkaline chemistry for archival quality
- **NOW 30% Post Consumer!** Manufactured with 50% total recycled content including 30% post-consumer recycled fiber.
- Knightkote C2S Matte Text is available in both white and creme shades.
- Knightkote C2S Matte is a #1 Coated Matte providing exceptional print reproduction.
- Knightkote C2S Matte White Text, with its brighter blue-white shade, will enhance your printed piece reproducing crisp, clear images.
- Knightkote C2S Matte Creme Text provides a warm palette with the same recycled content, print clarity and matte surface as Knightkote Matte White.
- Knightkote C2S Matte Text marries value with superb print quality.
- Its unique surface allows for vibrant color reproduction with the aesthetically pleasing look and feel of a matte paper.
- Available in a wide variety of basis weights.
- Performs beautifully with all finishing techniques: scoring and folding, die-cutting, embossing, foil stamping, and varnish and aqueous coatings to name a few.
- Stocked in a variety of sizes.
- Available in cartons, skids or rolls.
- Knightkote C2S Matte Text is designed for a variety of projects including:
 - Book Text
 - Brochures
 - Calendars
 - Envelopes
 - Packaging
